## PERGOLA

The pergola is ideal to mix and mingle with guests during cocktails and hors d'oeuvres or to host a bourbon and cigar bar after dinner ~ one of our favorites is a gourmet rustic barbecue for a rehearsal dinner.

## LIVING ROOM

Our Living Room can be used for a ceremony, hosting cocktail hour, roaming food bars, or intimate dinners; most evenings it transforms into a dessert room with the optional espresso bar.

## BALLROOM

Vaulted beamed ceilings, gorgeous hardwood floors, a classic palette, wrapped in French doors with intimate lighting, the ballroom is a timeless backdrop for the celebration of your dreams.

## THE EXPERIENCE

The Edgewood Club, a hundred plus years of romance with pops of classic and bohemian chic offers a timeless backdrop to celebrate your love. Preserved in the hamlet of Edgewood, minutes from downtown Pittsburgh, our wedding venue has the convenience of an urban location with the benefits of a rural setting.

## THE EDGEWOOD EXPERIENCE

The background of the entire page is a faded image of a wedding ceremony backdrop. It features a wall with a mosaic of small, light-colored tiles. A large, ornate chandelier hangs from the ceiling. On either side of the central text area, there are large, white floral arrangements in tall, clear glass vases. The overall aesthetic is elegant and romantic.

## REVAMPED RITUALS

You've spent hours and hours obsessing over every detail of your reception, and with good reason, it's going to be the party of a lifetime. But take a breather from all that to think about the other half of your big day, your ceremony.

The most important moment of your day and maybe your life ~ we feel that each ceremony should be created with the utmost thought, attention, and love.

Gone are the days of following tradition for tradition's sake. We welcome new twists on old traditions. It's your ceremony and it should be done your way.

# FOOD & DRINK

Our catering and culinary professionals represent the best of Pittsburgh's chefs, service teams, and planners. They opt to set the trend rather than follow while satisfying all tastes and accommodating vegetarian, vegan and gluten-free needs.

So think about crowd pleasers, breaking the rules, opt for substitutions, roaming food stations, and playful grab and go desserts, the possibilities are endless. Gather & Feast in our beautiful historic venue.
